Evan Preece, age 8

- His picture in the style of Keith Haring.

## Lily Isabella Gilbert, year 4

Lily-Belle wanted to show all the things related to lockdown. We bought them a new swing, slide, monkey bar set for the garden. Started renting a piano from the shop in town and she is now a wonderful pianist from using the simply piano app. We had a day trip to Oxford on the bus which the kids had never been too. Explored the bridal ways on our bikes. Started guitar lessons via zoom. Swam in the Thames. Had BBQ's in the garden, that's us as a family sat around the garden table. VE Day bunting and Lily-Belle and her sisters on an Easter egg hunt. We have bought them the Disney channel since being in lockdown. Then there is a picture of the kids in the paddling pool and spending lots more time in the garden playing with their rabbit.

# Rosalie Gilbert, year 2

Rosalie has done a collection of pictures of things that she has done in lockdown. Played more in the garden with her rabbit. We've bought the kids a new swing set in the garden. She had her first trip to Oxford on the bus. She had to transition to guitar lessons via zoom. Discovered more bridleways on the bikes. Started renting a piano from the shop in town and she has become a brilliant pianist from the simply piano app. There is also a picture of her painting the fence!

- Iris-Esme has completed a selection of pictures of what she has done during lockdown. Her on her trampoline and with her rabbit and scotty dog. She has started playing the piano as we have rented one from the shop in town during lockdown. She has gone up a bike size and now has gears, so we are discovering all the local bridleways. She's drawn her and her sisters swimming in the Thames and their paddling pool. A picture of our bbq and our new sofa that arrived.
