

EUAN, YEAR 6 FJS

I made an Easter rocky road. I put the cross on to represent Jesus and I put the eggs on to represent new life.

Amelie, Year 6 FJS Simnel cake and Easter tree

- Traditionally Grandma bakes a simnel cake for the kids to decorate at Easter. This hasn't been possible this year, so the girls baked one each to send pieces for a bake-off taste test to Grandma

Wiktorija, year 5 FJS

Jesus's grave

I created a model of Jesus's open grave. It shows the three crosses behind the grave, and the giant boulder moved away from the entrance. I made it using moss, stones, sticks and string. I hope that you will like it.
